

Product Details – RIVAL LED FOG CORNERING & POSITION LIGHT

Features

- 3 fully ECE compliant LED Lighting functions: LED fog light, LED cornering light and LED position lights (R7, R19, R119)
- Plug & play installation for whole RIVAL bumper range
- Compact and robust: Unbreakable polycarbonate lens to endure heavy duty application, over and under voltage protection
- Integrated driver and thermal management system for a superior lifetime
- OSRAM high performance LED's (6000K)
- Highest resistance against environmental influences

Technical specifications

- Light distance @ 1lx: ~32m
- Hot lumen: 340lm
- Color temperature: 6000K
- Rated input power: 0,5/9W
- Input voltage: 12V
- IP Protection: IP6K9K
- EMC/EMI: ECE R10
- Over voltage protection: up to 24V
- Polarity protection

Fields of application

- 4x4 applications
